

RGDATA Privacy policy

This privacy policy sets out how RGDATA uses and protects any information that you give to RGDATA.

RGDATA is committed to ensuring that your privacy is protected. Should we ask you to provide certain information by which you can be identified, then you can be assured that it will only be used in accordance with this privacy statement.

What we collect

We may collect the following information:

- name and job title
- contact information including email address
- demographic information such as postcode
- membership account information including bank details
- other information relevant to membership surveys and/or offers

What we do with your information

We require this information to provide you with membership services, and in particular for the following reasons:

- Internal account and record keeping.
- We periodically send our newsletter by email, containing news, offers or other information which we think you may find interesting using the email address which you have provided.
- From time to time, we may also use your information to contact you for industry-related research purposes. We may contact you by email, phone, or mail.
- We may use the information to improve our services.

Security

We are committed to ensuring that your information is secure. In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

Controlling your personal information

We will not share your personal information to third parties unless we have your express permission. You may withdraw your consent at any time.

You may request details of personal information which we hold about you.

You have the right to have inaccurate or incomplete information corrected and updated.

You may have your information deleted.

If you believe that any information we are holding on you is incorrect or incomplete, or wish to exercise any of your rights, please write to or email us as soon as possible, at the address below.
